“We believe in Performance rather than commitments”

About the Institute:

KBC STUDY CIRCLE was born out of a mass decision of the parents & guardians of the students in Unit-IV, Bhubaneswar locality in 2004. Within a few years and within a limited surrounding, KBC STUDY CIRCLE has created its own special recognition in Bhubaneswar for its excellent results over the years. It has been enhancing to shape young minds for excellence and make them winners both in highly competitive and academic world.

KBC STUDY CIRCLE is an innovative and highly popular institute in Bhubaneswar engaged in teaching students mainly for +2 Science (CHSE, CBSE, ICSE), IIT, JEE, NEET along with Computer Education & training for other state and national level competitive and career examinations by most reputed and highly experienced teachers of various leading institutes in Odisha.

KBC STUDY CIRCLE does not believe in empty commitments, but its results have been its own recognition since 2004. It empowers students with the ability to self-analyse and improve performance to emerge winners in all spheres.
